

Enterprise North Canterbury

invites you to register for a breakfast seminar entitled

'Getting the tills ringing'

Guest Presenter:
Peter Kenyon, Bank of Ideas

Blue Rooster Cafe, Rangiora

Tuesday 31 October 2006

7am to 9am

'**Getting the tills ringing**' delivers the stories of ordinary people who dared to be different and have become out-of-the-ordinary entrepreneurs running businesses located outside large cities. Rather than being endowed with unique and mysterious qualities, these people have discovered and developed attitudes, behaviours and skills that set them apart from most business operators.

Peter Kenyon is a much sought-after motivating and inspiring story teller and social entrepreneur who has worked in 48 countries and with more than 1000 communities. During his presentation he will cover the '10 Common Themes' or 'Success Factors' which were shared by the 20 rural businesses from all over Australia whose inspirational stories appear in his latest book 'Good Enough Never Is.'

Others who have seen Peter's presentations have said:

"Great presentation. Excellent feedback. Very relevant message for any small business."

"This should have been videoed and sent to all small rural outposts in New Zealand."

"Highlight so far. Wish we could bottle him and take him home. Very appropriate for businesses in small towns."

"So applicable to rural provinces."
