

Investment Opportunity

Supporting the development of young people
in Kalamunda

A new program *Lead On Kalamunda* has been initiated. *Lead On Kalamunda* is based on the successful *Lead On* model running in 15 Australian communities*. This program, supported by local business, opens doors and windows for young people to pursue personal, career and community dreams and passions.

Lead On Kalamunda seeks to facilitate a whole range of youth designed and lead projects within the Kalamunda Shire. *Lead On's* success elsewhere comes from a collaborative effort between a whole range of businesses and organisations within their local communities. In Kalamunda, the first very ambitious project is Western Australia's only community newspaper written and managed by young people. The newspaper will give young people an opportunity to express their thoughts and comment on what they see as the positive attributes within the shire of Kalamunda. To enable this and other community projects to happen *Lead On Kalamunda* is seeking foundation support.

Levels of Investment

<i>Bronze</i>	\$100 or equivalent in kind
<i>Silver</i>	\$500 or equivalent in kind
<i>Gold</i>	\$1000+ or equivalent in kind
<i>Platinum</i>	\$5000+ or equivalent in kind

Note: We are not seeking donors, we are seeking investors. All supporters will be regularly acknowledged through media and on stationary, and invited to all key *Lead On Kalamunda* activities and celebrations.
